Help Me Make Peace

Verse in Unison

We want to bring to your today

a request. And show humanity a way to be the best.

one drop of water can barely succeed. But as an ocean we're

mighty indeed! Help me make peace. Help me make peace.
More love be tween us
Let it start in my heart!

A lit-tle more love
Let it start in my heart!

More love be tween us
Let it start in my heart!

More love be tween us
Let it start in my heart!

Chorus

Help me make peace
Help me make peace
Help me make peace
